

## **Notice of Retirement**

To all my patients, friends and co-workers, I would like to say thank you for having had the privilege of serving you for 47 years. I have loved my job and enjoyed all the conversations which we have had over the years. I can truly say that my work was a labour of love and it has brought me great satisfaction and many fond memories.

I will miss going into the office every day but am also looking forward to spending more time with my ever-growing family. I had hoped to make it to an even 50 years but unfortunately an unexpected injury has prevented my return to work. Dr. Ryan Benedict will be taking over my practice and I leave you all in his good hands.

To my co-workers and associates thank you for your professionalism. LifeSource Medical Centre has been a great place to work.

Sincerely

Ron Burman, Chiropractor
